

Inclement Weather Policy and Procedures

In the interest of ensuring the safety of our participants and van drivers during inclement weather, the following procedures will be observed:

- For anticipated closures for follow www.ksdk.com/weather or KSDK-Channel 5 for weather updates, storm warnings and closures for St. Elizabeth's Adult Day Care Centers.
- Caregivers will receive text notifications of center closures. In the event of anticipated inclement weather, Caregivers will be notified promptly. Please be prepared to make necessary arrangements.
- Please make sure we have your most up-to-date contact information for timely text message notifications. Ensure that emergency contacts are up to date, including alternative arrangements for transportation and communication in case of unexpected closures.
- If your participant is already at the Center when inclement weather is anticipated, caregivers will be informed on closures.
- Please arrange for timely pick-up or ensure someone is at home for the van arrival.
- Keep lines of communication open with the Center during inclement weather to stay informed about any changes or updates.
- On days with anticipated inclement weather, adhere to the designated pick-up times to facilitate a smooth transition during challenging weather conditions. However, in the event of inclement weather, be prepared for potential schedule adjustments for van services. Stay in touch with the Center for any updates.
- We encourage caregivers to have contingency plans in place for inclement weather, such as alternative transportation arrangements or a designated contact person.
- The Center will provide regular updates on weather conditions and any changes to the operating schedule. Please stay connected through the provided communication channels.

By adhering to these inclement weather procedures, we aim to prioritize the safety and well-being of our participants and staff. Thank you for your cooperation in ensuring a secure and reliable environment during challenging weather conditions.
